RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to the Notification of Defective Response mailed May 7, 2002. It is noted that the Raw Sequence Listing Report attached thereto appears to be a copy of the Report received with the Notice of Missing Requirements of April 1, 2002. Applicants responded to this Notice on April 12, 2002 and a voice memo from India Evans on May 28, 2002 in response to a telephone inquiry informed Applicants that the previously submitted response had been matched with the file but had not been reviewed by STIC. In the event that the previously submitted disk is damaged or unreadable, Applicants submit this Response.

Please amend the above-captioned patent application as follows:

IN THE SEQUENCE LISTING:

Please cancel from the application the Original Sequence Listing, submitted with the Preliminary Amendment of January 17, 2002 and substitute therefore the attached Replacement Sequence Listing pages. Please consecutively renumber all pages following the canceled Original Sequence Listing.
